

1100 LTR BIN PRESS

1100 LTR Bin Compactor

Reduce your waste collections

THIS BIN COMPACTOR IS THE PERFECT WAY TO COMPACT YOUR GENERAL WET WASTE.

The MACFAB 1100 LTR bin press is a great way to compact waste into 1100 LTR collection bins. This will reduce the amount of bins in a businesses waste disposal area. As more waste is compacted into bins, businesses can have a lower cost of waste disposal.
